[redacted] advised the British National Party is a semi-  
political organization operating in England. The organization is  
racist, anti-immigration and follows the belief of Neo-Nazi  
groups. Some members of the BNP have been convicted for criminal  
activity, including threats and the use of explosives. Any  
relationship with terrorist groups in the UK would be with that  
of the loyalist movement. The Loyalist movement can best be  
described as pro-British and anti-Republican (IRA).
